HOW TO BUY **Federal:** SDVOSB set-aside or sole-source award. **Texas:** VetHUB-certified vendor on the CMBL. **Teaming:** accepts subcontracts and teaming with primes. **Target customers:** Air Force at Joint Base San Antonio (Lackland, Randolph, Fort Sam Houston); the VA. **Next step:** request a 20-minute capability briefing.

13 years of owner experience in federal contracting and IT program delivery

OWNER'S CREDENTIALS

PMP · MBA · MA, International Relations · MA, AI Marketing & Design (in progress) · USAF veteran · Active Secret (owner)

OWNER'S PRIOR EXPERIENCE

2021–2025 Jacobs
2019–2021 Leidos
2017–2019 MES Inc.
2012–2017 USAF 341st Contracting Sqdn.

TOOLS & METHODS

Waterfall · Agile and Scrum · Earned value management · Power BI · FAR-based acquisition · AI automation

WHY DUFFEY SOLUTIONS

Owner-delivered. The PMP you meet does the work, with no handoff to junior staff.

AI-enabled delivery. The owner builds, codes, and runs AI agents and workflow automations, used daily in the firm's operations.

KEY PERSONNEL EXPERIENCE

Owner's prior roles, matched to the packages above. Firm formed 2026.

Seen from the contracting office. As an Air Force contract manager, the owner supported a $31M annual portfolio, managed a $4.5M custodial contract and a $1M medical supply BPA, and saved 360 man-hours by streamlining market research.

Program control at scale. At Jacobs the owner led a $15M portfolio of 25 IT projects, 10 to 15 running concurrently, and reported program health to general officers: the basis of our Program Health Assessment.

Fast stand-up. At Leidos the owner led surge operations that raised instructor capacity 350%: the basis of our PMO Quick-Start.

CORE COMPETENCIES

Program and project management · PMO setup · Schedule and risk · Acquisition support (PWS, IGCE) · AI workflow integration
